

# NOMINATION FORM OF NEW BOARD MEMBERS OF THE EPS PLASMA PHYSICS DIVISION

I **Dr Brian Reville**

Postal address and e-mail:

**Max Planck Institut für Kernphysik,  
Saupfercheckweg 1  
Heidelberg 69117  
Germany**

**brian.reville@mpi-hd.mpg.de**

Primary field of research: **Basic and Astrophysical Plasmas**

HEREBY NOMINATE

Title and full name: **(Self-nomination)**

Primary fields of research (less than 20 keywords):

**Astrophysics, high-energy phenomena and non-thermal radiation processes  
Laboratory astrophysics  
Numerical plasma simulations**

Full postal address and e-mail: **as above**

Short Statement (less than 100 words):

**I have made contributions to both the astrophysical and laboratory plasma communities, and have an understanding of the key plasma physics related developments in the area.**

**I have been involved in both the local and scientific organising committees for previous years' EPS conference on plasma physics.**

**I have contributed to the nomination of both invited speaker and Alfvén prize candidates on previous years, and have a genuine interest in promoting excellence and maintaining standards.**

FOR THE EPS PLASMA PHYSICS DIVISION BOARD.

Date: 28/05/2020
