

**NOMINATION FORM OF NEW BOARD MEMBERS OF THE
EPS PLASMA PHYSICS DIVISION**

Title and full name:

Prof. Dr. Frank Jenko

Postal address and e-mail:

Max Planck Institute for Plasma Physics
Boltzmannstr. 2, D-85748 Garching, Germany
frank.jenko@ipp.mpg.de

Primary field of research:

Theoretical and Computational Plasma Physics; Plasma and Fluid Turbulence; Magnetic Confinement Fusion; Complex Systems; High Performance Computing; Artificial Intelligence

Member of: German Physical Society (EPS member society)

HEREBY NOMINATE

Title and full name:

Prof. Dr. Emanuele Poli

Primary fields of research (less than 20 keywords):

Electron Cyclotron Heating and Current Drive; Tearing Modes and Magnetic Reconnection;
Kinetic Theory and Simulation of Plasma Instabilities

Full postal address and e-mail:

Short Statement (less than 100 words):

I believe the EPS plays a crucial role in promoting collaboration among European plasma physicists, especially for young researchers, and that the EPS conference should continue to serve as a prestigious platform for this interaction. With my background in research, academic teaching, and participation in the scientific committees of various workshops, I am confident I can make valuable contributions to the EPS board.
